

Facade design concept at Youth Continuum (924 Grand Ave)

For over 20 years, **Youth Continuum** at 924 Grand Ave has helped **housing insecure children and young people** get jobs, receive counseling, and find housing. Currently, Youth Continuum is open 9am-5pm, leaving young people with **nowhere to go after 5pm**. Their only option now is to find shelter in adult facilities, which don't work for young people.

New Renovation & Overnight Program

Youth Continuum hopes to renovate unused space at the current location (which they own) to allow 20 young people of any gender to stay overnight in a **safe and welcoming environment**.

SAFE & SUPPORTIVE ENVIRONMENT

- All young people **in for the night** after curfew
- Professional **staff** **continuously onsite**

60-90 DAY STAYS

- Improved services
- Professional case managers to help lift young people **out of homelessness** during their stay

A MORE BEAUTIFUL FACADE

- A livened up and **nicer facade** to improve walkability
- New security **lighting**
